About the trail...

The trails you will be running or walking will take you around the beautiful hills and fields of the Camp K. You will get to experience a little bit of everything that running has to offer. Dirt trails, dirt roads, a small section of pavement, and some technical side hills will have you loving your time on the trails. This is a nice novice course with not a lot of elevation gain and plenty of trail to fly through on this 4 & 6.2 mile course. We will have an aid station with some goodies for everyone and a meal afterwards for everyone to hang out and talk about your run. Hope to see you there!
